

Child Safety Policy

Dropping Off and Picking Up Children

Our Commitment

Our club is committed to adhering to the Child Safety Act and thereby providing a safe environment for the participation of children and young people.

Part of this is ensuring that children and young people are not left alone after practice or games.

What we will do as the Club:

- Make sure guardians and children know the time and location of practice and games and when they can expect to collect their children.
- Request coaches and other sporting personnel to arrive before scheduled practice or game times.
- In the event that guardians are late, the coach/team manager will try to make contact with them and ask a second adult to wait with the coach/team manager and the child in front of the club canteen area until collected.
- Get guardians to collect their children in front of the canteen area where other people will be.
- Avoid transporting children to their homes unless permission has been given by guardians.
- Be flexible in application of protocols depending on the COVID-19 restriction level, in all cases, we will stay with children until a guardian can be seen.

What we ask Guardians to do:

- Ensure that you are registered with Team App including emergency contact details and are available during training and game sessions should contact need to be made.
- Pick your child/ren up from the agreed pickup point in front of the canteen on time, children will only be dismissed by the coach/team manager once a guardian has been sighted.
- Inform the Coach /Team Manager about any changes in arrangements for picking up your child.
- Observe a 10km/hr speed limit in the car park for the safety of all.

*Coaches, Team Managers and other club officials would like to go home to their families too,
please ensure that you are prompt with drop off and pick up*
