

Codes of Behaviour

This document is an extract from the Football Victoria Rules of Competition – Schedule 5 pages 91 -97

Overview

The following codes are deemed to be incorporated into these Rules of Competition:

- [Australian Sports Commission Junior Sport Codes of Behaviour](#),
- [FFA National Spectator Code of Behaviour](#),
- [FFA National Code of Conduct](#),
- [Victorian Code of Conduct for Community Sport](#)

It is vital that everyone involved in Football, whether they are athletes, coaches, parents, officials or supporters, understand their responsibilities to ensure that all participants enjoy the sport.

It is strongly recommended that all players, parents, officials, coaches and members be given a copy of these codes by their Club, and that each Club ensures the codes are clearly displayed in their Clubrooms.

As well as reading and seeking to understand the instructions contained in the codes, FV asks all participants to recognise that there are underlying principles which extend beyond those specific instructions.

Victorian Code of Conduct for Community Sport

Every person in Victoria has the right to participate in community sport that is safe, welcoming and inclusive. At the same time, everyone plays a part in ensuring their behaviour and their actions are supportive of these values.

State Sporting Associations, leagues and clubs also have a responsibility to ensure participation in any community sport event is free of any anti-social behaviour. This means that behaviour both on and off the field should not prevent others from taking part and getting active.

The [Victorian Code of Conduct for Community Sport](#) outlines behaviours which are expected of every person involved in community sport, and behaviours which must not be tolerated.

The Code supports [Victoria's Plan to Prevent Violence Against Women](#) by taking a zero tolerance stance towards violence against women. The Code also aims to encourage cultural and behavioural change as a pre-emptive measure against violence.

Acts of [violence](#), [discrimination](#) and [vilification](#) are illegal acts in Victoria. It is a club's responsibility to report these to the appropriate legal authorities and ensure these acts are not tolerated by the sport or club.

State Sporting Associations, leagues and clubs will have the responsibility of adhering to and enforcing the code through sport specific penalties.

Organisations that do not adhere to and enforce the Code will not be eligible for funding from Sport and Recreation Victoria, and any existing funding will cease.

The Code provides the opportunity to make a positive impact on community participation in sport and recreation by encouraging appropriate behaviour at all times.

Implementation of the Code will ensure that community sport remains safe and inclusive for all.

Code of Conduct

Every person: spectator, player, club member, official, participant, administrator, coach, parent or member of the community involved with the sport, should work to ensure:

- inclusion of every person regardless of their age, gender or sexual orientation
- inclusion of every person regardless of their race, culture or religion
- opportunities for people of all abilities to participate in the sport and develop to their full potential

- respect is shown towards others, the club and the broader community
- a safe and inclusive environment for all
- elimination of violent and abusive behaviour
- protection from sexual harassment or intimidation.

This Code applies to community sport, training and club sanctioned activities.

Breaches of the Code

The following behaviours are considered breaches of the Code:

- Violent or abusive behaviour towards another person.
- Vilification of any kind towards another person.
- Discrimination against another person based on their age, gender or sexual orientation.
- Discrimination against another person based on their race, culture, religion or any other irrelevant personal characteristic.
- Sexual harassment or intimidation of another person.
- Victimisation of another person for exercising their rights through the Code of Conduct.
- Failure to maintain a safe environment.

If any of these behaviours take place within a sport or recreational context, the relevant State Sporting Association, league, association or club is able to impose penalties or sanctions. For this to occur, the breach must be confirmed through an appropriate assessment process at the appropriate level.

State Sporting Association Responsibility

The responsibility of a State Sporting Association through the Code of Conduct is to:

- promote the Code of Conduct to all persons involved in the sport or club
- ensure reporting and assessment processes are in place to identify and penalise breaches of the Code
- report on the implementation of the Code to the State Government on an annual basis
- ensure that every person involved in the sport is able to exercise their rights without fear of victimisation.
