

Child Safety Policy

MANDATORY - Working With Children Checks (WWC)

Our Commitment

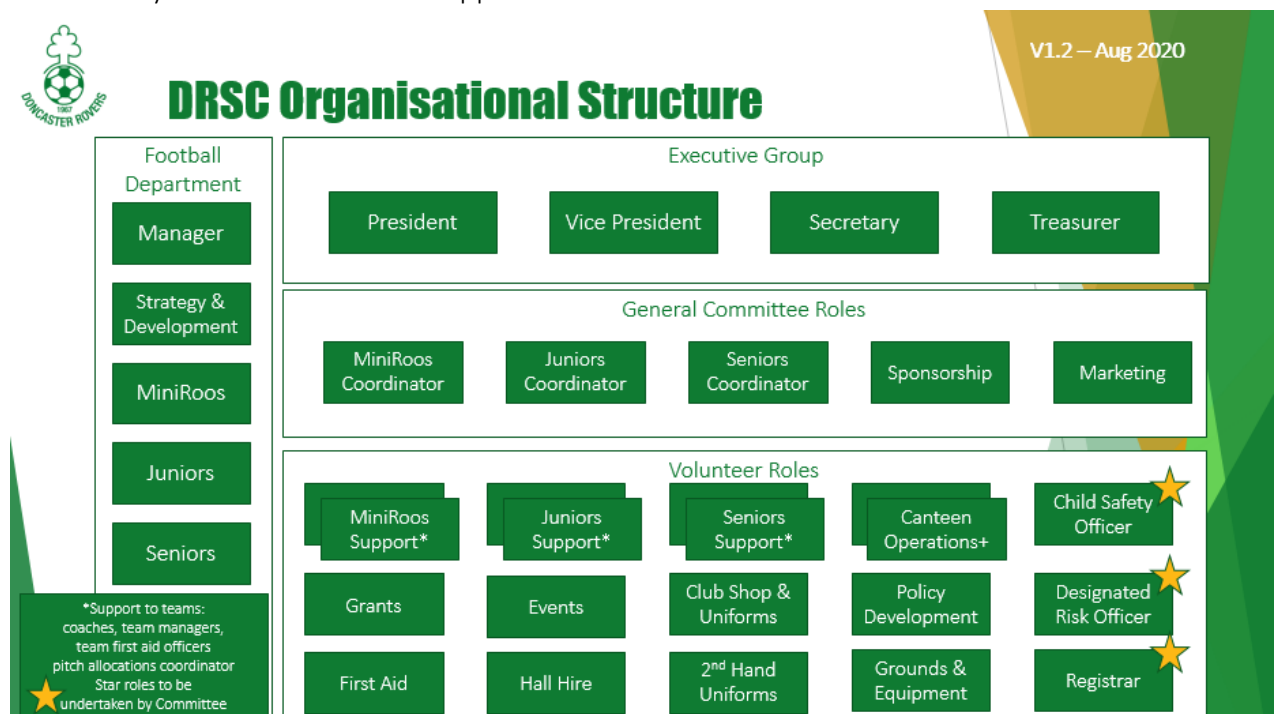

Our Club is committed to adhering to the Child Safety Act and thereby providing a safe environment for the participation of children and young people.

We are also committed to developing a culture of participation and strong community spirit.

Rovers is a not-for-profit community club, we rely on volunteers in every aspect of club operations and need all members to lend a hand through the year.

It is an expectation that all adults working with children on behalf of Rovers will provide the Club a copy of their WWC, there are many volunteering opportunities listed below.

Parents/Guardians of players under 18 years of age must have at least one adult with a WWC able to take duty roles as a minimum support to The Club.

If you are yet to provide your WWC – please email a photo of it to info@doncasterrovers.org
